

# JANUARY MONTH ACTIVITIES

| S.No | Name of the Activity                                                                    | Month & Date         | Whether Conducted or not | Alternate Date |
|------|-----------------------------------------------------------------------------------------|----------------------|--------------------------|----------------|
| 1.   | Conducted Grand test for SEM-III and SEM-IV students                                    | 09.01.24             | Yes                      | -              |
| 2.   | Conducted practical exams for SEM-III and SEM-IV students                               | 22.01.24 to 23.01.24 | Yes                      | -              |
| 3.   | Conducted MID-II Exams for SEM-I students.                                              | 25.01.24             | Yes                      | -              |
| 4.   | Prepared files for AGAR 2022-2023.                                                      | 18.01.24 to 31.01.24 | Yes                      | -              |
| 5.   | Conducted Coaching Classes for CUET-2024 Exam for SEM-VI students.                      | 2-01-24 to 31-01-24  | Yes                      | -              |
| 6.   | Conducted Guest Lecture by Eminent Lecturer Sri M.V. Satyanarayana; Lec in Phy. GDC SKM | 06.01.2024           | Yes                      | -              |
| 7.   | Conducted Guest Lecture by Eminent Lecturer Padmavathi, Lec in phy; GDC SKM             | 06.01.2024           | Yes                      | -              |

## February month Activities

| S.No | Name of the activity proposed and conducted                                                                                                      | date     | Whether conducted or not | Alternate date |
|------|--------------------------------------------------------------------------------------------------------------------------------------------------|----------|--------------------------|----------------|
| 1.   | conducted a field trip to A.U and IIM, visakhapatnam.                                                                                            | 19/02/26 | Yes                      |                |
| 2.   | conducted Quiz, PPT's, poster, Idea Pitching, Model making and EVOLUTION competitions to 1 <sup>st</sup> year and 2 <sup>nd</sup> year students. |          |                          |                |
| 3.   | celebrated "National Science Day"                                                                                                                | 27/02/26 | Yes                      |                |
| 4.   | conducted a grand test for sem-I students (1 <sup>st</sup> BSC)                                                                                  | 03/02/26 | Yes                      |                |
| 6.   | conducted EVOLUTION to 1 <sup>st</sup> and 2 <sup>nd</sup> year students                                                                         | 23/02/26 | Yes                      |                |
| 6.   | conducted Powerpoint presentations to 1 <sup>st</sup> and 2 <sup>nd</sup> year students                                                          | 24/02/26 | Yes                      |                |
| 7.   | conducted Quiz competition                                                                                                                       | 25/02/26 | Yes                      |                |
| 8.   | conducted poster presentation                                                                                                                    | 25/02/26 | Yes                      |                |
| 9.   | conducted Idea Pitching                                                                                                                          | 25/02/26 | Yes                      |                |
| 10.  | conducted Model Making.                                                                                                                          | 26/02/26 | Yes                      |                |
| 11.  | conducted a grand test on Alternating currents for 1 <sup>st</sup> year students.                                                                | 03/02/26 | Yes                      |                |
| 12.  | Delivered a invited lecture at GIDCA Rajamundry on superconductivity.                                                                            | 06/02/26 | Yes                      |                |
| 13.  | Delivered a invited lecture at GIDCA Rajamundry on Nano Technology.                                                                              | 06/02/26 | Yes                      |                |
| 14.  | conducted classes on Quantum computing to 1 <sup>st</sup> year students.                                                                         | 09/02/26 | Yes                      |                |
| 15.  | conducted everyday tests and discussions to JAM - 2026 aspirants.                                                                                | 02/02/26 | Yes                      |                |
