(Re-accredited by NAAC with 'A' Grade, Affiliated to Andhra University)
YELLAMANCHILI - 531055, ANDHRA PRADESH

DEPARTMENT OF COMPUTER SCIENCE

Name of the activity	Group Discussion on Relational vs. Non-Relational Database
Date of activity	05/12/2025
No.of Participants	II B.Sc. Computer Science students-39
Outcome of the activity	The expected outcomes of the DBMS group discussion activity are that students will enhance their understanding of database concepts, architectures, and management techniques. They will develop critical thinking and collaborative problem-solving skills by analyzing and debating real-world database scenarios. Additionally, participants will improve their technical communication and ability to articulate complex ideas clearly.

DEPARTMENT OF COMPUTER SCIENCE

Name of the activity	Group Discussion on Agile Vs Waterfall Model
Date of activity	24/03/2026
No.of Participants	II B.Sc. Computer Science students-39
Outcome of the activity	The group discussion on Agile and Waterfall Model enabled students to understand the key differences between iterative and sequential software development approaches. It enhanced their teamwork, communication, and critical thinking skills while helping them analyze the advantages, limitations, and real-world applications of both models.

DEPARTMENT OF COMPUTER SCIENCE

Name of the activity	Group Discussion on Applications of Artificial Intelligence
Date of activity	01/04/2026
No.of Participants	I B.Sc. Computer Science students-44
Outcome of the activity	<p>Students actively participated in the group discussion and gained a better understanding of various real-world applications of Artificial Intelligence in fields like healthcare, education, banking, and transportation. The activity enhanced their communication skills, critical thinking, and ability to analyze the advantages and challenges of AI technologies.</p> <p>It also helped students to develop teamwork, express their ideas confidently, and relate theoretical knowledge of AI to practical situations, improving their overall learning experience.</p>
